

Year 12 Art
OCR Cambridge Technical Level 3

You will be using a range of materials and techniques in Yr 13, so in order to prepare for that I will be asking you to watch these videos and create a step by step guide on how these techniques are carried out.

<https://www.youtube.com/watch?v=Vm80M1wSsbA>

Pinch-pot technique using clay

<https://www.youtube.com/watch?v=Vm80M1wSsbA>

Broken crockery art

The first video is on using clay to make a 3D shape. The second is of an artist that makes artwork with broken crockery

Your step by step guide will need to include a screenshot and written instructions. You will also need to include any health and safety measures and equipment that is needed.

In the new term, we will be using these techniques so this will help you prepare for the Sculpture work you will be doing next year.
